*The Book of Fixed Stars. cryotype*

September 14 – November 9, 2019

*time in a lanyard of skins*

*it was an orange day the stripes sliced in sky*

*a crescent sun with double eyes*

The brain was thought only to be the origin of mucus, so it was reduced to liquid, removed with metal hooks, and discarded.\*

*the beginning of the end of the beginning and the end*

*like a lollipop should be licked*

oracular, like a whole to another possibility that might just be right here\*\*

In the case of a black hole, the insight was that the informational content of all the objects that have fallen into the hole might be entirely contained in surface fluctuations of the event horizon.\*\*\*

*we met once the summer after not living there anymore*

*the book includes 2 views for each constellation, 1 from below and 1 from above*

*when we met again the question became how to feng shui a memory palace*

*she didn't know if this was later heaven or early heaven*

*maybe there could be a middle*

*the glitch folds then here wound in the present*

Shattering. It is what we do.\*\*\*\*
